## PRESS RELEASE

### FOR IMMEDIATE RELEASE

### **Student Funding Group, LLC joins Friends program**

**(Round Rock, TX – October 23, 2006)** – Mapping Your Future (MYF) is pleased to welcome Student Funding Group, LLC. (StuFund) to the Friends program, increasing the number of Friends to 42.

StuFund is an educational loan originator and knowledge center for students and families who want simple, straightforward guidance through the complex financial aid system. The first minority-owned student loan enterprise, StuFund is built around the philosophy that each and every student, regardless of race, national origin, religion, sex, marital status, age or disability, can and should have access to higher education. It's their mission to do everything they can to make sure this happens. StuFund believes that if a student has the desire to pursue a college degree, they should be able to find the means.

MYF's success depends on the collaborative effort between guaranty agencies, schools, lenders, and others in the financial aid industry. Not only do MYF Sponsors and Friends contribute monetarily, but they also contribute intellectually to the design of the site, content, projects, and services.

If anyone knows of an organization that is not currently a Friends member but would benefit from being a part of MYF, contact either Dan Reyelts at [dreyelts@tcfbank.com](mailto:dreyelts@tcfbank.com) or Sherry Hildebrand at [sherry@mapping-your-future.org](mailto:sherry@mapping-your-future.org).
